**REPORT ENDING THE INTERNSHIP PERIOD OF ONE YEAR FOR
INTERNEE ADVOCATE**

NOVEMBER 2022

Supervisor: Me NDATSIKIRA RUHASHYA JMV

I.INTRODUCTION

This is a report ending the internship period of one year, began on Thursday 07th October 2021, it is prescribed by the presentation of the rules and regulations of the Rwanda Bar Association in article 99 related the internship report for interneers advocate that two months before the expiry of the internship period, the intern shall prepare a detailed report in two copies of his activities and submit it to the president of the bar with acknowledgement of receipt by the supervisor.

It is in the mentioned above regards that I prepare this internship report to make details of activities I did during the said period.

The internship will be composed by two (02) copies as provided by the mentioned above said article and it will be subdivided in three important parts, the first is **Introduction** the second will be related to the **Activities done during the internship** and I will end by the **Conclusion**.

II.ACTIVITIES DONE DURING THE INTERNSHIP

During my internship I did many activities related to the profession as an interneer advocate, many of them were done in court of law, others out of court, my activities are subdivided into two important sub-parts as follow:

II.1. Activities Done in Court

In courts of law I did many activities including **assistance and representation of my clients** and **assistance of Indigents people**.

II.1.1. Assistance and representation of my clients

Nowadays the cases that passed in my hands for my clients are seventeen (17) including closed ones and other which are still in courts process. They were pleaded in different courts like primary courts, intermediate courts and high courts.

II.1.2. Assistance of Indigents people

I was assigned by Rwanda bar association two probono cases one was in Military High Court this first one was completed and closed I submitted a written report for it the case started in a MILITARY court whereby PTE NDIKUBWIMANA Maurice was accused by the military prosecution an offence of Child defilement, finally we won the case.

The other pro bono case is in Ngoma Primary Court, it is still in court we appealed it in Intermediate court of HUYE where by BIZIMANA Olivier was accused fraudulent appropriation of the property of others (Theft of a cell phone).

II.2. Activities Done Out of Court

In this regard I provided legal aid services in different area of law for different kind of people that was coming upon me, other activities done out of court are Annual CLE prepared by RBA.

II.2.1. Legal aid services

some of those aid a Sobanuza-Inkiko re like helping them for applications for review of judgements rendered at last instance on grounds of their being vitiated by injustice whereby we use the new platform called Sobanuza-Inkiko while filing those kind of cases. I helped two people in this.

II.2.2. Annual CLE prepared by RBA

Out of court I also attended different online CLE organized by Rwanda Bar Association which are:

Legal issues in the practice of CPP done on 24/04/2022

Legal issues in the practice of CPCCSA done on 06/05/2022

Legal issues in the practice of electronic evidence done on 13/05/2022

Law Governing Foundations done on 20/05/2022

III.CONCLUSION

I conclude thanking Rwanda Bar Association for having provide the internship for person to whom they going to start legal profession, this is very helpful because I learned a lot during my internship where my superior provided with me many interesting advices on how to plead in court of law and helps me in some different difficult case.
